Yankee Hurricane Nips Redlegs 10-9

By HAL BOCK
Associated Press Sports Writer

Tornadoes swept through Florida Monday, and that wasn't a bad hurricane the New York Yankees unleashed at Fort Lauderdale.

Roger Repoz, a young outfielder, walloped three home runs as the Yankees outlasted Cincinnati 10-9 in one of two games that survived Florida's rainy, windy weather.

In the other Florida game, Baltimore downed Washington 8-4.

At Mesa, Ariz., Cleveland whipped Los Angeles 7-2 and at Las Vegas, Nev.,the Chicago Cubs blanked California 4-0.

Cancelled because of the storm were Houston-Pittsburgh; Minnesota-Kansas City; St. Louis-Chicago White Sox; Boston-New York Mets, and Atlanta-Philadelphia.

Repoz slammed two of his homers off Sammy Ellis, who will open the season for the Reds against the Mets next Monday at Cincinnati. Repoz tagged Ted Davidson for the third.

Gordy Coleman led the Reds' attack with five runs batted in on a homer, triple and single. Johnny Edwards also homered for Cincinnati.

New York rallied for its winning runs in the ninth inning with Lou Clinton's bases-loaded single delivering the tying and winning runs.

Leon Wagner rapped a pair of run-scoring doubles and left-handed ace Sam McDowell struck out seven Dodgers in the six innings he worked as Cleveland beat Los Angeles.

Production Sights Boosted by Cessna

WICHITA (AP)—Cessna Aircraft Co. raised its production sights Monday after record March deliveries.

The firm raised its production projections from 7,000 units to 8,000 units and a spokesman said the industry as a whole could make over 16,000 planes this year.

Cessna President Del Roskam made the projection, saying "the increasing need and demand for better use of every person's time is making air transportation for people and materials a necessity."

Cessna delivered 717 airplanes last month — highest March delivery in the company's 38-year history.

Accused of Shoplifting, Girl Awarded $3,000

KANSAS CITY (AP) — A state appeals court Monday upheld a damage award of $3,000 to a 13-year-old girl who was detained and accused of shoplifting by a suburban Kansas City variety store during the 1962 Christmas season.

The girl later was released when nothing belonging to the store was found on her. A store security officer detained her until a uniformed policeman arrived. She had been shopping with her family.

A lower state court awarded the girl $1,000 in actual damages, and $2,000 in punitive damages. Operators of the store in the Antioch Shopping Center appealed the case to the Kansas City Court of Appeals, which affirmed the award.

Augusta National Tough, But Masters 'Fair for All'

AUGUSTA, Ga. (AP) — Complaints that Augusta National's sprawling layout can be conquered only by the Big Three in the Masters Golf Tournament are hotly rejected by Arnold Palmer, trying for his fifth title in nine years.

"I think this is an exceptionally fair golf course for everyone," Palmer said before making another practice run Tuesday over the wide fairways and massive greens where the Masters' showdown starts Thursday. "It is the fairest golf course there is.

"There are spots on each hole where you have to hit the ball to win the tournament. Just because the fairways are wide doesn't mean you can hit the ball anywhere.

"Placement is of the utmost importance here on every shot. Every shot has to be contemplated. Putts have to be figured beyond just trying to hole out. There are putts on which you would be foolish to try to hole out."

Palmer said the course doesn't eliminate the average hitter from the running, as contended by numerous golfers who can't match Palmer's booming drives.

"Look at Gary Player," Palmer said. "He's one of the so-called Big Three, and there are 50 guys who can drive the ball farther than he can."

Player, the wiry little South African who won the Masters in 1961, isn't so sure the wide open course can be handled by average hitters faced with matching shots with Jack Nicklaus, the Ohio slugger who is the other member of the reigning triumvirate.

Ol' Casey Likes Looks of the Mets

ST. PETERSBURG, Fla. (AP) — Baseball's senior citizen, Casey Stengel, is on his way home today after spending a month at the New York Mets' training base.

And Ol' Case liked what he saw of the club he managed for 3½ years.

"They're greatly improved," Casey said. "The most impressive thing is the development of the outfield. With the way they're being platooned, they're no lower than third in the Nationl League. Only the Giants and Braves outfields may be better."

Casey didn't say where he rated the rest of the Mets.

Larsen Available For $1 Today

MIAMI, Fla. (AP) — Don Larsen, a million-dollar pitcher 10 years ago, was available for $1 today after the Baltimore Orioles asked waivers on him preparatory to giving the veteran right-hander his unconditional release.

Larsen, 36, pitched the only no-hitter in World Series history in 1955 when he hurled a perfect game for the New York Yankees in the fifth game of the series against the Brooklyn Dodgers.

Harry Dalton, personnel director of the Orioles, said he had tried unsuccessfully to line up another big league job for Larsen. After he is given his release, the lanky pitcher can be claimed for $1 by any club.

Rubber Pits Found, Meet Will Go On

Hurray!!! The foam rubber pits have been found.

Already responsible for postponement of track meets twice, the elusive foam rubber pole vault pits for Royster stadium was scheduled to be here in time for today's dual meet between Senior High School and Fort Scott at 3 p.m.

The shipment of foam rubber was apparently lost in transit, and nobody knew where it was for a few days. This morning, however, athletic director Garry Church said it was located in Kansas City, and was being transported to Chanute by special truck delivery. It was scheduled to arrive here by 2 p.m., he said.

Barring flat tires, gasoline or other truck problems, today's meet should go on as scheduled.

The Tigers from Fort Scott are strong challengers for the SEK League championship now held by the Comets. Their strength is primarily in the hurdles and field events, while Chanute's main hopes for points will be in the pole vault (with pits), mile run and high jump.

Also on tap for today is the second match of the season for the Royster Junior High School golfers. The Rockets journeyed to Coffeyville for an invitational.

Qualifying this week to represent the Rockets were Bob Malson, Neil Leverenz, Chip Allen and Dennis Steinman. Mike Bauer, low man for Chanute in its first meet, was fifth man in this week's qualifying, and will play along for experience.

Ron Fowler Places High In Races

Chanute's Ron Fowler picked up one first and three seconds at the Muskogee and Tulsa race tracks over the weekend, piloting the modified racer belonging to Al Weiland of Iola.

Fowler won his heat race at Muskogee Friday, and placed second in both the trophy dash and A feature. Because of his fast time trials the previous week, Fowler's No. 37 started 12th in the feature race, while the winning car was given the pole position at the start.

At Tulsa Sunday afternoon, the veteran Chanute race driver and his Iola car recorded the second fastest time of the day with a 21.84 clocking in the three-eights-plus dirt oval. The best time was turned in by Emmont Hahn, 21.78—only .06 of a second faster than Fowler.

By timing second at Tulsa, and piling up the second highest point total at Muskogee, Fowler will be put at the rear of races at both speedways this weekend. Muskogee races are Friday night, and Tulsa's on Saturday night.
